Cory Coletta  
HR of legislative assembly  
111 Wellesley St W  
Toronto, ON M7A 1A2

Dear Mister Coletta:

I am responding to your recent ad for a Web Designer. I feel that my educational and professional background in website designing and software development will prove that I am the apt person for this job and for your company.

I have 1 year of experience in website development more than 2 years in Graphic designing for various companies throughout my career. I feel confident that my abilities would prove an asset to your organization. I have collaborated with marketing and production managers and company executives to create user-friendly content and target specific audiences to promote company brands.

I am experienced in the use of HTML, CSS, JavaScript and WordPress. I have mastered experience in working with Adobe cloud softwares including Photoshop, Illustrator, Dreamweaver, InDesign, XD. I have used these tools to successfully create webpages, banners, ads, advertising materials and brand logos. In addition, I have worked with Globosoft Technologies as a Graphic designer.

With the experience gained from my work I am expert at:

- Adobe Photoshop : Advertisement, Flyers, Brochure, Web Page Wireframes.
- Adobe Illustrator : Creating logo's, Graphic Elements, Templates, Illustrations.
- Adobe XD : Web Page Wireframes, Mockup Designs.
- Bring up creative ideas during brainstorming sessions.
- Building website layouts using HTML, and CSS.
- The areas where I stand out at Adsomepark include building Business card, Newsletter Facebook Ads, Brochures, and the logo creation.

To conclude, I am looking forward to use all my education and professional experience to give my best support and hardwork and it would be an honor to work with the members of legislative assembly.

Sincerely  
Arath Yacob George
